

Regen10 In-Person Meeting

Meeting Agenda

MONDAY, 12 MAY – WEDNESDAY, 14 MAY, 2025

The Hoxton, Lloyd
Oostelijke Handelskade 34
1019 BN Amsterdam, Netherlands

MEETING OBJECTIVES

- **Accelerate our 2025 work:** honing working group key activities, developing overarching workplans, and clarifying next steps.
- **Finalize working group outcomes**, including:
 - **Outcomes Framework:** outlining clear next steps towards Framework alignment, including re-grounding on foundational elements of the Framework and how it connects to other working groups.
 - **360° Engagements:** further defining these activities and their role in the greater regen ecosystem.
 - **Influencing and Engagement:** determining Regen10's presence at global and regional events and starting our guiding narrative for food system transformation.
- **Define partner engagement:** clarify partner roles across working groups to inform longer-term scopes of work and contracting.

MEETING PRE-WORK

- Please review and come prepared to discuss the Pre-Read materials available [here](#).
 - Prepare key information on your organisation's priority engagements/convenings throughout 2025 and early 2026 at global, regional, and/or local levels to help inform the Regen10 event timeline.
